Applications are being made in connection with the receipt of federal funds. Schools or other officials may check the information on the application at any time during the school year. Deliberate misrepresentation of information may subject the applicant to prosecution under applicable state and federal laws.

Households will be notified of the approval or denial of benefits.

In certain cases, foster children are also eligible for these benefits regardless of the household's income. If a family has foster children living with them and wishes to apply for such meals or milk for them, contact the school for more information.

Under the provision of the policy, **Marsha Sowards, Secretary to Assistant Director** will review applications **(Name and/or Title of Approval Official)** and determine eligibility. If a parent or guardian disagrees with the decision on the application or the result of verification, the decision may be discussed with the determining official on an informal basis. If a formal appeal is desired, the household has the right to a fair hearing. A fair hearing can be requested either orally or in writing from **Gary Patton, Director of Secondary Education, 3525 N. St. Rt. 48, Lebanon, OH 45036 @ (513) 932-5677 .** **(Name, Address, Phone of Hearing Official)**

Households may apply for benefits any time during the school year. If a household is not currently eligible and if the household size increases or income decreases because of unemployment or other reasons, the family should contact the school to file a new application. Such changes may make the children of the family eligible for free or reduced-price benefits if the family income falls at or below the levels shown above.
