

Attention all Veterans

You have served our country. Now, the Warren County Career Center wants to serve you. In appreciation of your dedication and contribution to our country, we offer, at no cost to you:

Career Assessment---We are committed to assisting you in finding your new career path. Career planning is an ongoing, lifelong process. At the Warren County Career Center, you can plan for new or additional educational opportunities and manage changes in your career.

Employability Assistance---After determining which direction you want to go with your career, your next step is to review resume writing and interviewing skills. Our expert will assist you in creating your own personalized resume. We will share with you tips for landing your dream job.

Health and Wellness---Now that you know the path you want to take and have sharpened the skills to interview competitively, we will help you set goals, benchmark, and celebrate successes. You will then develop the next set of goals, and continue on your plan to achievement.

Call us today and we will help you assess your skills, create a resume and prepare for the job market.
