GED TEST REGISTRATION

Test candidates must register with the Ohio Department of Education prior to reserving a seat for the test.

It is recommended the candidate use the State's on-line registration system. The candidate must have a valid Ohio ID or Driver's License and email address to register on-line. On-line registration is at the Ohio Department of Education web site: www.ode.state.oh.us.

The candidate may also mail a paper application. These forms are available at the Career Center, or at the above web address. At the main page, point to "Topic" and click on GED. Paper forms take a minimum of two weeks to process; on-line registrations may be accepted in 48 hours or less. Some candidates may not be eligible for on-line registration, or will have to submit supplemental documentation. Registration requires a fee waiver or a payment of a \$65 fee. Fee waivers can be obtained after attending ABLE classes and taking and passing the pre-GED test.
